THE RIDE

What better way to end your mountain bike season than at The Northwest Challenge, Diamond Lake Mountain Bike Race? Not to mention the fact that it's an awesome place to spend the Holiday.

This is a World Class Course...the best in the region. It has received the Competitor Choice award for the best venue, and has become a wonderful addition to the Northwest Challenge family as part of our event series.

THE COURSE

Beginner...? This is roughly a 10-mile loop for beginners and includes high alpine single track, a short climb past Silent Creek and a sprint to the finish along Diamond Lake. If you've never raced before, come to Diamond Lake. You will not be disappointed.

Pros's and Semi-Pro's...Experts and Sports... We will be extending the 28-mile loop then we will post it on our web site. Roughly 85% of this race will be high alpine and single track. Can you say SWEET?

New course map will be at the event the morning of race.
