Learn to Ride a Criterium Clinic

GREAT PRIZES

Prizes for Lap Winners

New riders, this is your chance to learn to ride a criterium! A crit is a short course (less than 5K) race on city streets, closed to traffic. Cornering, riding safely in a pack and fast accelerations are good skills to have when riding a crit.

The Poplollies will be holding a clinic to teach new riders how to ride in a pack, corner, and sprint. After the clinic we will hold a practice race for all new participants.

Last year's series had roughly 20+ new riders participate in the clinics and races. Come out and give it a try!
