

For the Love of Trails

Ride 'em, Run 'em

June 13 & 14, 2015

Mission Ridge Ski & Board Resort
Wenatchee WA

There are lots of great trail races in the Northwest but we want to provide the best experience without finish time being all important. We also don't want to get caught up in a specific event paradigm but offer the absolute best combination of trails, vistas and terrain for the ultimate RIDE and RUN!
