New Rain Policy:
series points for the evening DOUBLED if it rains
You can't win if you stay home.

In each category, the first place finisher receives one point for each racer in that category, second place receives one fewer point, and so on. Points for all finishers will be doubled for the evening if the chief official determines it has rained. For each racer, up to four point finishes will count to the final series total (the lowest point score will be omitted if a racer finishes all five events).
