The cyclist in the middle is wearing a black jersey with 'OBRA' and 'hansgrohe' logos. The cyclist on the right is wearing a blue and white jersey with 'OBRA' and 'hansgrohe' logos. They are all wearing helmets and sunglasses.

Contravention of OBRA Rule 15.7.20 (Centerline Violation) may result in disqualification on the first offense. Don't Do It.

Finish is single lane only, but it's hard so you won't likely need the whole road to win.

Helmets and OBRA Membership required.

OBRA Memberships may be purchased at the race or more easily by following this link: [OBRA](#)

If you'd like to race for free, we always provide one free race entry for every driver or corner marshal. We need many to run this race safely. We pay driver gas \$ and provide what has been described as “The Best Bag Lunch in Oregon Road Racing”
