This series is dedicated to the memory of

Nicholas J. Jensen

Nick was a gifted athlete. He loved cycling, soccer, snowboarding, surfing, rafting, fly fishing, wakeboarding, wrestling and baseball. The passion with which he lived his life is an example to all and he is missed by family and friends.

The Nick Jensen Memorial fund has donated over one-hundred fifty thousand dollars in equipment and there is a need for much more. Search & Rescue is a non-profit volunteer organization. Please help. You may need them someday.
