

# ONE THOUSAND NINE HUNDRED FORTY FOUR FEET IN ELEVEN POINT FOUR MILES

Please join us for the inaugural Wildcat Mountain Uphill Challenge in the bucolic hills above Eagle Fern Park, Eagle Creek, Oregon. This Uphill Time Trial has something for everyone; steep sections for pure climbers, milder grades for power climbers and flat sections for speed demons.

This TT will level the playing field a bit and will likely favor the TT specialist rather than the pure climbers in the crowd. However, they too will have their opportunities to take back time from the power climbers as they speed up the steeper sections of the course. But for all, it will be a balancing act of doling out effort in the proper sections of the challenge.

# DETAILS, DETAILS

## THE COURSE

11.4 miles and 1,944 feet of elevation gain. <http://bit.ly/yOdghn> 

The start line is located just above the intersection on Kiltzmill Rd above Eagle Fern Rd. Get to the start line five minutes before your start time.

Pin your numbers on your left side.

The centerline rule will be enforced because we like you.

Pavement conditions are fair to good. There is some broken pavement on Wildcat Mountain Dr which will force you to pick your lines carefully on the way up and on the way back down.

## DRIVING DIRECTIONS TO EAGLE FERN PARK

From I-205 South, take exit 12A  
From I-205 North, take exit 12  
Take Hwy 224-E to Wildcat Mountain Dr  
Turn right onto SE Eagle Fern Rd.  
Turn right into Eagle Fern Park.
